Serving All Christians:

This ministry is provided to all Christians regardless of denomination. While this is a ministry of a church in the Anglican denomination, the Christian healing ministry itself is focused only on the healing mission of Jesus Christ our Lord among us. There is no teaching or preaching that comes from a particular theological perspective. All Christians should be comfortable receiving this ministry, and experience proves that God wants to heal His children and does so here for those who come with open hearts.

HEALING RETREAT

A Ministry of Hope on THE WAY

Bringing Healing and Restoration to God's Hurting People

The **IPMR** attempts to raise up for healing those things in our past, done by us, or to us, or reflected upon us, that have kept and are keeping us from being our best selves. This includes such things as inherited traits, old vows made, curses, soul ties, false beliefs, and unholy judgments called bitter roots. We have seen that certain things in our family lines and in events or exposures in our formative years can have an impact throughout life, and the Holy Spirit would like to deliver us from the bondage of these things.

Through teachings, soaking prayer, and the person to person ministry of trained prayer ministers, life-changing healing often occurs when Retreatants give their issues to the Holy Spirit.

It is our prayer that you'll find this ministry to be a caring and safe environment in which you can experience the love and healing touch of God. We trust your time with us will be a significant blessing for you, and we invite you to enjoy the peace and quiet of our beautiful location.

OUR MOTTO IS TO LISTEN, LOVE, AND PRAY

Prayer Ministry Questionnaire

Many things that happen in our formative years can have an adverse impact on us by imprinting negative stereotypes and habits on our subconscious. These things can lead to a variety of symptomatic problems later in life. By providing answers to the following questions, you help the prayer ministers to pray for and assist you, most especially as they listen to the leading of the Holy Spirit in how to pray for you. We have found that God sometimes delivers people from bondages that were previously unrecognized by them. Your thoroughness in answering these questions aids in achieving the best results for you. But if you are uncomfortable about a question or section, or don't know the answer, just pass it by.

Family Tree Preparation

Preparation of Your Family Tree

Attached is a genogram chart that is used to post information about your family generations, like a family tree.

A family tree is used to diagram family history so you can see at a glance where problems are in each generation. Begin at the bottom of the chart; fill in your name and your spouse's name and any problems you have (if divorced, insert your previous spouse's name, too.) Fill in the same with your children, your parents, and your brothers and sisters. Continue in this way up the family tree, as far as you can remember, indicating any patterns or problem areas in your family line. Some problems come down vertically, as from grandfather to father; some horizontally

from aunt to aunt or cousin to cousin. Some of the problems are obvious, others are known only to God. Don't be concerned about what you do not know; the Lord will reveal what you need to know, and what He reveals, He will bring into healing. And don't worry about being neat. If explanations are needed, please add extra pages.

Once you have finished construction of the family tree, look at the possible patterns or problem areas with the family bloodlines. Below are some of the common areas of generational bondage or sin that may help jog your memory and make a more complete picture of your family line.

Pray as you do this exercise, and ask the Holy Spirit to reveal His truth to you. He may give you an area that is not listed below, but it is essential to put down whatever is revealed to you in order to break the patterns of generational sin.
